Dear Mr. Cohen,

I just finished reading "Little Half Sisters" (second edition) and I want to thank you very much for making all your knowledge available to me.

I bought my first one (1807 good) in an auction in May, 1981 and my 32nd coin (1829, XF, V-I, R-I) was purchased just a week ago - when I obtained your book.

Frankly, I find there is a lot more competitive bidding for the 1/2 cents in the last six-eight months at the auctions I regularly attend. I am sure your book will do wonders for the hobby. Best of luck!

Would you please send me the address of E.A.C. Club as stated on page 130 - I enclose a S.A.E.

Sincerely yours,

John Griffiee
